KERRY PARENTS & FRIENDS, Rathmore Branch,

which has been in existence for nearly 50 years would like to thank our supporters and friends for their generosity during this period. The funds raised from various events such as our annual Sale of Work, Church Gate Collection and Panto have helped to establish our Rathmore services. Tearmann Lodge, Fr. Corridan Centre and Marian House have recently received full registration from HIQA, which is full recognition of the excellent service provided in our community. In an effort to increase funding a **MONSTER CHRISTMAS BINGO** will be held on **Sunday 10th December** at 3pm, in the Community Centre to replace the Sale of Work. We look forward to your continued support. (9/10th Dec.)

Christmas lighting in Rathmore 2017.

Mr. Liam Flynn from Millstreet outlined a proposal which would very much enhance our town over the Christmas period. Unfortunately the proposal would involve significant expenditure in year one but not quite as costly in year two and subsequent years. Year one brackets would cost €50, trees are €15 and lights €22, putting up and taking down €40. Initial cost of €120. For those who already have brackets, trees and lights can be supplied for €70. He has agreed to leave prices as last year. While we feel that it is not easy for people to find money for everything in these times we feel that this is a project worth recommending but it is up to people themselves. If you are interested please ring Liam on (087) 638 0053 or (029) 70 397, Michael O'Mahony 0876676817, or any member of Rathmore Community Council.

Speech by Deputy Danny Healy-Rae from

the Order of Business 14/11/17: "The

Minister for North Korea, red tape, new

regulations and stiffer penalties has made an

order to severely punish unaccompanied provisional

drivers. They have been waiting for driving tests for

long periods. He clearly does not understand what

it means to live in rural Ireland where people do not

have access to public transport. Would it not be more

productive if the Minister had made an order for

speed limiters to be fitted to these cars while they are

being driven by those on provisional licences? That

would have made much more sense. There are speed

limiters in lorries and buses and these could also be

used in cars. These youngsters have to travel. I firmly

believe that a young fellow is entitled to one chance

and that every young fellow deserves that chance. If

young fellows blot their copybooks, they can be

nailed then but not before that."
