NATIONAL CREDIT UNION GR8 SAVERS WEEK this year will run from 7th to the 13th of May. The aim of the initiative is to encourage young primary school children to develop a saving habit in their local Credit Union. This year, Gerry the Giraffe returns as our **GR8 Savers** mascot and encourage young people to develop a savings habit in their local Credit Union. See next week's newsletter for more information on **GR8 savers week**.

As we are all only too aware of the financial problems of the past few years, now is the time to prepare our children for the future. We can do this by teaching them the benefits from saving, teach them to make smart purchases and to know they can't immediately get everything they want. In the long term we can help them avoid getting into debt. It is important that parents play a role in assisting children to learn the art of saving which will stand to them long into their future.

Rathmore & District Credit Union now provide ON LINE BANKING. You will be able to view your account and do transactions at your own convenience. Register on www.rathmorecu.com or call into office where we will help you Register.
