Text of Speech made in the Dail by Danny Healy Rae T.D. 24th & 25th Oct. 2017.

Motion re Housing - Deputy Danny Healy-Rae:

I will be parochial about the housing problem & perhaps change the debate slightly. Killarney is no different from many other places in that there is a significant housing list & houses are scarce at the present time. Anything from €900 to €1,200 per month is being asked in rent for houses but the maximum rent allowable under the housing assistance payment scheme is approximately €550. Killarney is also unusual in that most of the land south of the town is prime amenity. It includes the national park, Killarney House and lands and Muckross House and lands. However, we are now awaiting the local area plan for Killarney for 12 months to 18 months. There were many instances where there was phase 1 and phase 2. In phase 1, the lands were held up because the people had no money or whatever. In phase 2, people were prepared to go.

I want to tell the Minister of State that there is no hoarding in Killarney. Many people are waiting for the draft plan from Kerry County Council.

The Dept. has a role in ensuring that more land is allowed to be zoned residential, as was allowed heretofore. I am asking the Dept. to increase the amount so zoned. It is wrong to confine the amount of land that is zoned. If only so many property owners' land is zoned, they have a monopoly, which means that they can charge more and it is the person buying the house who will pay the piper. It is very unfair. Zoning should not happen at all. If an application is made, it should be up to the local authorities to decide that it is worthwhile, that it meets all the requirements and that all the services are available where they are being built, etc. It takes up a lot of time and in many instances it finishes up being very unfair.

The repair and leasing scheme should be extended to rural towns & villages. It only operates where there is pressure for social housing. Most rural areas, towns & villages are practically dead. If the Government is serious about bringing people back to revitalise them, it will have to extend the repair and leasing scheme to apply to rural areas.

I have highlighted many times in the House that 80% of people applying for the tenant purchase scheme are being disallowed. It is very unfair that pensioners who have lived in a house for 30 or 40 years and now

have the wherewithal to purchase it are being denied the right to purchase it. That is very wrong. The Minister of State should look into that.

Post European Council Statements

Deputy Danny Healy-Rae: The IFA, the Irish Creamery Milk Suppliers Association, ICMSA, and all other farming bodies are concerned about our €2.5 billion beef deal with England. That is how much we depend on the British market. If we were to lose that, it would be disastrous for the whole of the country, especially the western counties, of which County Kerry is one. Cow numbers will collapse. The bodies are asking that, before Britain exits the EU, Ireland be allowed to continue supplying beef to Britain. If we are not and there is a hard Brexit and large tariffs, it will be disastrous for the entire farming community.

We watched and listened to Prime Minister May saying that progress had been made. We wondered what that progress was. I certainly did anyway on behalf of everyone whom we represent, especially the farming community, which is under significant pressure. Prices are dropping as we speak.

Not for many years have farmers faced a winter like this one. They have been feeding cows and other animals for the past two months. That will make for a long winter before the animals can be put out to grass again in the middle of April or early May. That is more than six months, so we must be aware that there will be a shortage of fodder. On top of this, people are concerned about whether we will retain our British market. The farming organisations are asking that the market be assured before the UK exits the EU.

The Miracle Prayer

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one (mention favour.) Take it dear heart of Jesus and place it within your own broken heart where your father sees it.

Then in his merciful eyes it will become your favour not mine. Amen.

Say this prayer for three days. Publication of prayer and favour will be granted. EO'D. (11/11/17)
