**Rathmore & District Credit Union**

**Do you need to borrow?** The Credit Union encourages people to shop around. Make sure you know what your loan will cost you. The Credit Union encourages you to borrow wisely and within your means. The longer it takes to repay the loan the more it will cost you.

**Shop around:** Check all the costs e.g. arrangement fees, charges etc.

**Remember:** A Hire purchase Agreement is just that...you will not own the item until the final repayment is made.

**Make sure** that the cost you are quoted is the total cost of your loan - no extras!

**Compare** like with like: Terms can vary - Loan amounts - number of repayments - length of term - interest rate and total interest paid.

**Credit Cards:** Keep the balance at the end of each month as low as you can...these are loans at a very high rate of interest.

**If in doubt:** Call to the Credit Union for free, independent and sound financial advice.

**SCHOOL SAVING STAMP SCHEME:** Now that schools are open after the summer holidays we hope the children will get involved in our School Saving Scheme again. We wish to remind children and parents not to forget to cash in your savings cards from last year. Last year was an extremely successful year and we hope this year will be even better!! We extend a big thank you to teachers and parents for your co-operation in this scheme. For further information on any of our services, contact your Credit Union.
