 Quiz Master - Daniel Vincent O'Connor

At the recent meeting of the Killarney Municipal District I raised a notice of motion regarding the state of **Dromcarbin Bridge** on either side where there is subsidence. I stated the need for further signage to highlight the fact that one car can pass at a time. I also outlined to Kerry County Council that speed is a danger on this road and particularly as cars travel towards the bridge there needs to be 'Slow Speed' signage put in place. Kerry County Council have assured me that maintenance works will be carried out on either side of the bridge where there is subsidence and that signage will be erected by the end of October.
