Rathmore/Gneeveguilla Community Games: Our U10 Indoor Soccer Team competed in the County Finals last Sunday in Duagh Sports.

It was down to the last 4 teams out of 21 teams that took part in this Competition initially.

The 3 other teams were, Fossa, Spa Fenit / Barrow and Ballymacelligott.

The draw was made at 2pm and we were drawn against Ballymac for our Semifinal. Half time Ballymac were up 3-2 after a great 3-0 comeback by our players.

Ballymac ended up winners at full time with a 6-2 result, so we went on to play for 3/4th place against Fossa - unfortunately it wasn't our day as our team lost 4-2 but the following boys claimed a County Pewter Medal for their efforts - well done and congratulations for winning fourth place County Medals.

Adam O' Connor, Luke Healy, Conor Lynch, Cormac O'Sullivan, Cian Kennedy, Jer O'Connor, Cillian Moynihan & Neil Thompson.

Thanks to all the parents for taking their children to all the games and training sessions. Special thanks to their trainer Michael O'Sullivan for all the work put in with this team and to Gareth Thompson for all his support.

Rathmore & District Credit Union

Rathmore & District Credit Union have come up with a novel way of re-engaging with their members, and the local community in 2019, a series of focused events.

These events range from Dangers of Social Media, to Accessing Grants for Second Level Students, to Succession Planning & Protecting the Family Business for Farmers, finally for the entrepreneur a Start Your Own Business event. These events come totally free, and are open to both members and non-members of the Credit Union alike. Refreshments will be provided on the night, but registration is required prior to the event, so drop in or contact the Credit Union on 064 7758328.

According to Mark Hussey CEO of Rathmore & District Credit Union the objective of the events is reconnection with members, and connection with possible new members, "when we sat down to plan our events for 2019, giving back to our members, the community, and connecting with non-members was the primary focus, this is where the idea came from. We contacted IRD Duhallow, another local group to assist, and from here we came up with the 4 topics & speakers. Hopefully we have hit the right topics, and I have no doubt the evenings will be highly informative. **I appeal to everyone interested, to register, and come along on the night.**" **The first event is on Monday March 25th, 7pm – 9pm, topic Dangers of Social Media, speaker Dr Maureen Griffin.**

For further details contact the Credit Union on 064 7758328.

The Miracle Prayer

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour). Take it dear heart of Jesus and place it within your own broken heart where your Father sees it. Then in his merciful eyes it will become your favour not mine, Amen.

Say this prayer for three days. Publication of prayer and favour will be granted. *EOD.*

Social Action Group Save the Earth Campaign

The young people in the Social Action Group are starting a campaign to encourage people in the community and beyond to think of ways of cutting down on co2 emissions, to reduce the use of plastics and to do things that will help protect various species including bees that are endangered. People like David Attenborough are constantly warning us that we all must do more to protect the Environment. The young people are inviting everybody to do something constructive no matter how small that will make a difference. The Social Action Group members are organising a special Family Day in early May to launch their environmental campaign which will set out what people can do to make a difference.
