**Gneeveguilla Basketball Club Notes**  
 We recently held a very successful fundraising walk to support our Ireland U16 basketball international Ronan Collins with his trips to Europe for international games. Ronan was presented with the proceeds of €3701.50 in the company of his parents Siobhan & Cormac & members of our clubs committee. Ronan played in the Dussmann Trophy held in Luxembourg this past weekend where he and his teammates finished a close runner up to winners Poland. Ronan will be in action again next month. Games are streamed live & we are so very proud to see one of our young people compete at this level. The club & the Collins family would like to thank everyone who came along to our walk & contributed in any way. It was a great day out & again highlighted to us a great sense of community spirit very much alive and kicking in Gneeveguilla.
