Rathmore & District Credit Union have come up with a novel way of re-engaging with their members, and the local community in 2019, a series of focused events.
These events range from Dangers of Social Media, to Accessing Grants for Second Level Students, to Succession Planning & Protecting the Family Business for Farmers, finally for the entrepreneur a Start Your Own Business event. These events come totally free, and are open to both members and non-members of the Credit Union alike. Refreshments will be provided on the night, but registration is required prior to the event, so drop in or contact the Credit Union on 064 7758328.

According to Mark Hussey CEO of Rathmore & District Credit Union the objective of the events is reconnection with members, and connection with possible new members, “when we sat down to plan our events for 2019, giving back to our members, the community, and connecting with non-members was the primary focus, this is where the idea came from. We contacted IRD Duhallow, another local group to assist, and from here we came up with the 4 topics & speakers. Hopefully we have hit the right topics, and I have no doubt the evenings will be highly informative. **I appeal to everyone interested, to register, and come along on the night.”**
The first event is on Monday March 25th, 7pm – 9pm, topic Dangers of Social Media, speaker Dr Maureen Griffin.
For further details contact the Credit Union on 064 7758328.

Best of luck to our adult racers who are racing in Nenagh Co. Tipperary this weekend.

Hard luck to Denis O'Connor who along with his Munster teammates failed to make the starting line of the St Patrick's Day Race in Cardiff last weekend owing to a Ferry mechanical!

Well done to all our Juveniles who took part in the Billy Nolan TT in Tralee on St Patrick's Day last. SLCC had 9 Juveniles in total participating. Congratulations to Ben Murphy, Sean Hurley, Darragh Dennehy and Kate Murphy who brought home prizes.

Congrats to Dan Murphy who came second in Tournafulla (Caislean Nua Classic Race) A4 Race last Saturday and is now regraded to A3 for the Season.
