Rathmore Community Council welcomes new members and would like to invite anyone from our community to come along and join us at any of our meetings or any of our projects. We would also welcome the opportunity to work with new or established groups in our community on areas of common interests. 2019 will be a very busy year, with Tidy Towns plans, fundraising and liaising regarding the improvements to the streetscape.

We will need all available help. Church Gate Collection: planned for 29th and 30th December. Scrap Metal Collection: planned for February 2019. Split the Pot fundraiser: Watch this space for more details.

Variety / Comedy events with other groups in the area: more details to follow!

Please spread the word. Mr. Liam Flynn outlined a proposal which would very much enhance our town over the Christmas period. Unfortunately the proposal would involve significant expenditure in year one but not quite as costly in year two and subsequent years. Year one brackets would cost €50, trees are €15 and lights €22, putting up and taking down €40. Initial cost of €120. For those who already have brackets, trees and lights can be supplied for €70. He has agreed to leave prices as last year. While we feel that it is not easy for people to find money for everything in these times we feel that this is a project worth recommending but it is up to people themselves. If you are interested please ring Liam on (087)638 0053 or (029)70397, Michael O'Mahony 0876676817, or any member of Rathmore Community Council.
