Gneeveguilla Community Council

We are delighted to confirm that work on undergrounding the electricity wires and installation of new public lights in the southern side of our Village will commence next week. We have worked tirelessly with Kerry County Council and our local Councilors to secure the funding for this work. Phase 1 of this project was the development and fencing of the Car Park at the GAA Grounds, which is of great benefit to the community, has greatly improved safety for our school children and the appearance of our Village. This is a great example of what can be achieved when community organizations work together. We are very grateful to the Gun Club for contributing the proceeds of the 2017 November Night and Gneeveguilla Community Alert for their contribution to the project. Also we want to thank our local Councilors who made donations from their councilor allocations, we will sadly miss working with these Councilors after the next local election as Gneeveguilla is no longer in the Killarney electoral area especially Niall Kelliher our local man.

Upgrade your heating to the new Delta T. This will greatly reduce fuel bills, give higher temperatures at floor level and a warmer home. Free advice contact Tim: 064 7754449 Mobile: 087 2461746. www.oxyvent.com

Rathmore/Gneeveguilla Community

Games: Busy weekend for our Community Games Basketball teams starting with our **U11 Mixed** team on Saturday. A big thank you to Michael O'Sullivan and Trish Murphy who gave up their valuable time to prepare this team in only a few weeks of training. It was their first time training a Community Games team together, so we look forward to working with them again, in the future. After a 3 match win over Glenflesk, Fossa and Glenbeigh in Castleisland, they travelled to Duagh where they met Duagh in the Semi-Final stage. After a gallant performance by this young team, they were defeated but went on to beat Abbeydorney to win third place. A Bronze County Medal was presented to the following players, well done to all. Rachel Rahilly, Ava Twomey, Michelle McCarthy, Abby O'Leary, Aoife Murphy, Andrew Moynihan, Cillian Moynihan, Eoin O'Sullivan, Cathal O'Keeffe and Jamie Cronin.

On to Sunday where our **U13 Girls** Basketball team registered in Duagh under their coach Mike McGillicuddy who stepped up to train this team and gave up his time to ensure the girls could take part in this Competition. After a tight win of 15-12 against Abbeydorney in their first match, they went on to win their other two games over Duagh and Milltown which secured them a place in the Semi-Final against Castleisland. Our girls travelled over to Castleisland and put in a great performance, unfortunately it wasn't to be and Castleisland secured victory and went on to win the gold by beating Ballymac in the Final. We would like to congratulate the following girls on their Bronze Medal win and thank Mike for coaching the team. Grace Murphy, Orla Cronin, Ella Guerin-Crowley, Tara Jones, Jennifer Dineen, Shauna McCarthy, Joanne O'Keeffe, Sarah O'Neill, Laura Hickey & Chloe O'Leary. We wish our **U16 Girls** basketball team the very best of luck on Sat. and the **U16 Boys** on Sunday, both playing in Duagh, follow us on Facebook for updates on the day.

Under 10 Boys Soccer Trials are now under way under the supervision of Michael O'Sullivan. Second trial to be announced on our Facebook and Instagram page and Schools will be notified. **Finally**, watch out for an Instagram Competition this week to win 2 Kerry Tops.

Both Cllr Maura Healy-Rae and Deputy Danny Healy-Rae welcome that the Part 8 planning for the development of 20 houses in Rathmore was formally passed at a meeting of the Killarney Municipal District on 21st January. This is much needed for the area of Rathmore. Cllr Healy-Rae emphasised the need for adequate public lighting in front and throughout the development. Furthermore, Cllr Healy-Rae outlined the need for the footpath adjacent to the estate to link with the existing footpath to the village of Rathmore in the interests of safety for pedestrians. KCC responded that they will do their utmost to ensure that the footpath will link up with what's existing and in the event that it's not possible to do so, a pedestrian crossing will be installed.
