Rathmore & District Credit Union

The month of August is moving on rapidly and so are the summer holidays!

Our thoughts are on preparing for **back to school, back to college or starting college for the first time!**

No doubt you hear on media reports about the cost of education these days! Not only is it an expensive time for parents and students alike but also an extremely stressful time.

You must consider the purchase of new uniforms...new books....College fees....College accommodation. The list is endless....

We want to let people know that the credit union is there to support both parents and students as they prepare for the new academic year. The credit union offers some of the most competitive personal loans and also offers student and apprentice loans at a very low rate of interest.

Rathmore Credit Union offer Student/Apprentice loans at the low rate of 5% (Apr 5.1%)

You can borrow up to €15,000

You don't have to borrow the full €15,000. You need only draw the amount you want. You can still top up while you are in college. Repayments can be made to suit your needs.

To qualify you will need proof of your college course. Apprentice loans are the same conditions but only on a **once off** basis. Terms & conditions apply. Do come and talk to us about the various finance options available.

Rathmore /Gneeveguilla Community Games

Big congratulations to our only competitor In the second and final weekend of the Community Games finals held in Dublin recently- Oisín O'Leary....Oisín won second prize in the U10 art competition and was awarded with an All Ireland Silver medal.

..In Community Games 50th year in Ireland this will be 'one to remember' for Oisín. Oisín competed in the same All Ireland Art Competition last year representing Rathmore Gneeveguilla and his County. A keen runner, footballer and basketball player, Oisín has been preparing for this competition since winning the county medal this year in Listowel.

Congratulations from all the committee at Rathmore Gneeveguilla Community Games, we wish him well for the future.

Best of luck to all the children in our area either starting primary or secondary school this week and we hope all our children have a great first week back.
