CONTINUING THE CONVERSATION -

This weekFeedback on Church meeting held in Shrone Oct. 30th

SHRONE:

Great appreciation was expressed for the many parishioners who help out in so many ways. Preparing the liturgy, arranging sacred spaces, caring for the cemetery, helping with maintenance, Ministers of the Word, Ministers of the Eucharist, collectors and area contact people etc. Satisfaction was also expressed at the recent external cleaning which greatly enhanced the look of the church. A number of areas were identified which need attention:

- * The addition of two additional **Eucharistic Ministers**. They would join the existing groups and would only be required to serve every three or four weeks.
- * There is a special need for help with **Church cleaning** This is only required three or four times a year in advance of special occasions like Christmas and Easter.
- * **Liturgical banners** to be provided for the Christmas Season
- * There are issues relating to **external lights** and one of the gas heaters.
- * It was agreed that a **volunteering box** would be placed at the back of the Church to enable parishioners to volunteer to assist in these areas, or to offset their gifts in another way.

Feedback on Church meeting held in Gneeveguilla Nov. 11th

GNEEVEGUILLA:

Ministry of the Word:

- It was agreed that this was working very well and our thanks to Eileen Fleming for her great work in this area.
- We will introduce a rota for readers for the weekday mass. Copies of the "Magnificat Booklet" (These Books come out monthly and have Sunday and weekday readings) will be purchased and given to readers to help them prepare in advance.

Ministers of the Eucharist:

- A seat near the baptismal font to be reserved for Ministers of the Eucharist.
- There are times when we need to bring Communion to the very back of the Church for parishioners who may find it difficult to come forward.
- We need to recruit new members to replace Ministers who have gone off the rota.
- With a full rota each minister is required on average twice in the month.

Altar Society:

- We have a great need for additional members to help with the cleaning and of the hoovering of the church. The small band of loyal volunteers are well deserving of our assistance. Again if we have enough volunteers you will be only called on twice a year.
- It was agreed that additional equipment was also required ... hoover, extension leads etc.

Altar Servers:

- The need for training was emphasised so that our servers can feel comfortable in carrying out their tasks.

Sign of Peace:

- A suggestion came from some parishioners that might dispense with the sign of peace during the 'flu season', to help reduce the spread of infection.

Cemetery Light:

- We were made aware that one of the cemetery lights is not working and needs to be replaced.
