November is a special time.

Traditionally, it is a time when we remember our loved ones, especially our family members and friends who have passed away before us. It is a time to recall past events and people who shared our lives. It is month where people are encouraged to talk and share their loss openly.

When we experience the death of someone who was close to us, there begins a journey that no-one can stop. Whether we like it or not, we find yourself at the beginning of a hard road. There appears to be no road signs along the way and everyone else seems to be on a different path. Unfortunately, although we have some control over our grief journeys, we cannot detour or bypass normal grief reactions.

Great, because there is a good reason why we react the way we do. Grief is the price we have to pay for having loved and been loved. It is understandable that we therefore feel disorganised and lost ourselves.

November is a month with its own energy; it instils in us the gift of remembering those who have gone before us; we remember them and honour their memory. We give thanks for them and their legacies that they have left us.

Church Meetings;

Over the coming weeks we will hold meetings in each Church to plan for various Liturgies, and to review the various ministries and areas of volunteering which are a vital part of church life in each area.

We cordially invite Liturgy Groups, Readers, Eucharistic Ministers Music Ministry, Collectors, Sacristans Altar Society etc. .

We want to hear your suggestions so that we can support the work that is being done and where necessary to recruit new volunteers to help out.

The schedule of meetings is as follows and all meetings will be held in the Church.

Shrone Church	Wednesday	October 30 th	@	8.15p.m
Rathmore Church:	Tuesday	November 5 th	@	8p.m
Gneeveguilla Church:	Monday	November 11 ^t	^h @	7.30p.m
Knocknagree Church:	Tuesday	November 12 ^t	n @	7.30p.m

How November Received Its Name

The last four months of our year, September, October, November and December, all receive their names from Latin numerical terms. Prior to the introduction of January and February into our calendar system, the old Roman calendar employed a calendar of only ten months. Latin numbers were given to these months: septem, (meaning seven) became September; octem, (meaning eight) became October; novem (meaning nine) became November; decem (meaning ten) became December. When January and February were added to the ten-month calendar to become our twelve-month calendar, these latter four months retained their Latin names.

Anam Cara Kerry, the organisation that supports bereaved parents, is holding a Parent Evening on Tuesday 12th November at 7:20pm in Recovery Haven, 5 Haig's Terrace, Killierisk, Tralee, Co. Kerry. This event is free and open to all bereaved parents regardless of the age your child died, the circumstances of their death, or whether their death was
