NO TIME

I knelt to pray but not for long, I had too much to do. Must hurry off and get to work for bills would soon be due. And as I said a hurried prayer, I jumped up from my knee, my Christian duty now was done. My soul could be at ease. All through the day I had no time to speak a word of cheer. No time to speak of Christ to friend – I had too much to do - no time-no time. This was my constant cry. No time to give to those in need.

Lord, fill my heart with love as I prepare to make Holy Week, holy. Open my heart to what really matters in life. May I never be too busy to give You time in daily prayer. May I never grudge time spent with my family, a friend or a neighbour. Yes Jesus, I have time to make this Week, holy!!
