New National Children's Hospital – A golden opportunity to do the best for the children of Ireland This opportunity is being allowed to slip away by the blind persistence of a Government determined to locate the New National Children's Hospital on a seriously constrained St James's Hospital Campus. Only a few weeks remain for the people of Ireland to open the Government's eyes to this impending disaster. Connolly for Kids Hospital(C4KH) believe the James Connolly Memorial Hospital, 145 acre site at Blanchardstown would provide easier access for all Ireland, expansion space, parkland, extensive parking, co-location with adult and crucially the new Rotunda Maternity Hospital Please speak up now for our children and future generations. You can do this by contacting and demanding support from your local public representatives (see www.gov.ie). For info visit www.connollyforkidshospital.com.

DIVINE MERCY is God's offer to us to come close to Him. It is a real offer which invites us to a conversion of life, a definite break with sin and a peace of knowing and living in communion with God. This relationship is not a pretend relationship in which we have to hide anything. God's offer of mercy opens us to a peaceful and honest way of living. When one meets the Lord's mercy, our lives change. Our acceptance of mercy involves us trusting our lives to Jesus and our willingness to obey Him. When we pray for true mercy, we ask the Lord to forgive us our sins and weaknesses and to give us the grace to live in communion with Him in sincerity and truth.
