Our Deepest Fear

By Marianne Williamson

Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. We ask ourselves Who am I to be brilliant, gorgeous, talented, fabulous? Actually, who are you *not* to be? You are a child of God. We are all meant to shine, as children do. We were born to manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine we unconsciously give other people permission to do the same. As we're liberated from our own fear, our presence automatically liberates others.
