Be patient with God and with yourself. One of life’s frustrations is that God’s timetable is rarely the same as ours. We are often in a hurry when God isn’t. You may feel frustrated with the seemingly slow progress you’re making in life.

Remember that God is never in a hurry, but he is always on time. Remember how far you’ve come, not just how far you have to go. You are not where you want to be, but neither are you where you used to be. “Please be patient. God is not finished with me yet.” God isn’t finished with you, either, so keep on moving forward. Even the snail reached the ark by persevering!
