Kerry's First Health and Wellbeing Week is taking place from October 6th to 14th.

This is a collaborative project by HSE Cork Kerry Community Healthcare through Connecting for Life, and Kerry County Council through Healthy Kerry. A dedicated committee of local support services and organisations have come together to plan a series of events to celebrate World Mental Health Day, here in Kerry. The purpose of the week is to promote the **Five Ways to Wellbeing** and to ensure people are aware of the many mental health supports and services that are available in our county. With almost 50 events planned all over Kerry, we hope there is something for everyone! A full list of events is available on <u>www.healthykerry.ie</u>
