LIGHT A CANDLE THIS HOLY WEEK – Bishop Ray

This Holy Week and Easter the ceremonies will be celebrated, without a congregation, at the traditional times in the parishes throughout the diocese. Priests will be celebrating on behalf of all in the parish. I invite you to take a few moments at that time each day to unite with them in prayer. Although Holy Week is different this year, we can all still celebrate it fully in our hearts. God bless you all in all your needs. The Pandemic has brought dark times, but the light of Easter, Christ our Light, is our HOPE

EASTER BLESSINGS: Easter is the time to rejoice and be thankful for the gift of life, love and joy. Every day is a gift for the living and because of Easter Sunday we receive the gift of life and hope. And during this time of physical distancing and staying at home let us find a way to celebrate Easter - in the deeper meaning of the Resurrection as well as in the cheeriness of the bunnies and chicks... even if we have to do it from 6 feet apart...

May the Lord shower His blessings on you and keep you safe always.

If you see the Moon... You see the Beauty of God...! If you see the Sun... You see the power of God...! If you see the Mirror, You see the Best Creation of GOD!

Life is to Enjoy... Keep Smiling... Smiling is infectious, you catch it like the flu. When someone smiled at me today, I started smiling too. I walked around the corner, and someone saw me grin. When he smiled, I realised I had passed it on to him. I thought about the smile and then realised its worth. A single smile like mine could travel round the earth. So, if you feel a smile begin, don't leave it undetected. Start an epidemic and get the world infected. (Spike Milligan)
