Danny Healy Rae
Local Improvement Scheme

For Private Roads
 I'm glad that this scheme which was suspended many years ago is now open again for applications. The applications must be sent back to Kerry County Council, Operations Department by 27 April 2018. I have continuously raised the need for this scheme both in Kerry County Council and in Dáil Éireann since I was elected. Forms are available from myself, Johnny, Maura and from Kerry County Council.

Maura and Danny Healy-Rae are delighted to welcome the news that the road from Gneeveguilla to Lisheen Cross will be resurfaced this year under the Restoration Maintenance Programme. Drainage, resurfacing and trunking works will be carried out on 1800 metres of the road at a cost of 32000 euro. We have made numerous representations and hope the works will be to the satisfaction of all road users there.
 Both myself and Danny Healy-Rae are glad following our numerous representations the road between the two Rathmores will be resurfaced, drained and trunked in 2018. These works are being carried out under the Restoration Improvement Programme and a figure of 65,943 euro has been provided to complete 900 metres.
