Novena to St. Jude

St. Jude, glorious Apostle, faithful servant and friend of Jesus! The name of the traitor has caused thee to be forgotten by many, but the Church honors and invokes thee universally as the patron of hopeless cases - of matters despaired of. Pray for me who is so miserable; make use, I implore thee, to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need, that I may receive the consolations and succour of heaven in all my necessities, tribulations and sufferings, particularly (here make your request), and that I may bless your request God with thee and all the elect throughout eternity.

I promise thee, O blessed St. Jude, to be ever mindful of this favor, and I will never cease to honor thee as my special and powerful patron, and to do all in my power to encourage devotion to thee. Amen. AJM

The Miracle Prayer

Dear Heart of Jesus, in the past I have asked for many favours, this time I ask for this special one (mention favour). Take it dear Heart of Jesus and place it within your Heart, where your Father sees it, then in his merciful eyes it will become your favour not mine. Amen. AJM
Say this prayer three times for three days and your favour will be granted. Never known to fail. Must promise publication of the prayer.
