**COVID-19 – UPDATE**

The new Covid regulations will remain in place until March 5th 2021.

**1. Church Opening:**

Churches remain open for private worship. All those attending church for private worship or for the purposes of cleaning the church must wear face masks or face coverings.

**2. Updated guidelines on Funerals**

Attendance at funerals is to be restricted to 10. We too look forward to when that number can be increased.

**3. No removal to the church the evening before.** People not attending the funeral liturgy should avoid congregating immediately outside

the church building or around the hearse. Guard of Honour should not form or congregate on church grounds.

**4. For the sake of the great majority trying to keep to the public health guidelines, we ask people, difficult as it is, not to approach the bereaved in the church grounds or cemetery to sympathize.**

**5. As per the public health guidelines regarding social and family gatherings, there should be no wakes or large gatherings for prayers in the house of the deceased nor gatherings in cemeteries.**

**6. Support for the bereaved can be expressed through social media as an alternative to attending the funeral.**

Often it is possible to link to a local church for a funeral ceremony via a webcam/Facebook Live. We invite people to pray for the deceased and family of the deceased in their own homes at the time of the funeral Mass.
