**We consider it important at all times to keep parishioners updated on parish finances, particularly showing the impact of Covid**

*Recently we conducted a review of finances up to the end of June .*

*As you can see from this table there was a reduction of €30,498.28 compared to the same pre-covid period in 2019.*

*We suffered a similar loss of €33,959.70 between Jan, ad June 2020.*

**Thus the total loss of income for the January to June 2020 and 2021 has been €64,457.98 . This loss can be attributed to the loss of our offertory collection.**
