Act now to 'Restore our Common Home'.

(The Season of Creation runs from September 1st to October 4th)

The Diocese of Kerry joins dioceses across Ireland and Christian churches globally in calling for action, to Restore our Common Home during this 'Season of Creation'.

The Season of Creation runs from September 1st to October 4th when Christian churches around the world focus on prayer and action to protect the natural world or creation, 'our common home'. This time can be described as the churches' eco time. It closes on the 4th October, the feast day of St Francis of Assisi, Patron Saint of Ecology. It is certainly opportune as all of us are called to awaken to the urgent need to heal our relationship both with creation and with one another.

The words 'Our Common Home' are those used by Pope Francis in his letter 'Laudato Si' on Care for Our Common Home', addressed "to every person living on the planet".

All fifty- three parishes across the diocese are being encouraged to mark the Season in some way. This year parishes have received copies of the Season of Creation Brochure which explains the theme and gives suggestions of practical actions to be taken in the areas of: caring for God's creatures; biodiversity; energy; avoiding food waste and reducing plastic pollution. The Season of Creation Brochure is also available Season of Creation Brochure as Gaeilge
