Trocaire Collection Deferred until next weekend 13th/14th November

Bishops Emergency Appeal For Trocaire

In many countries in East Africa where Trocaire works, e.g. Ethiopia, Kenya and South Sudan there is a famine crisis due to climate change and conflict. Chair of Trócaire, Bishop William Crean, said funds raised this weekend will be used to support Trócaire in its work delivering much needed aid to Ethiopia, Somalia, South Sudan, South Kordofan and the Democratic Republic of the Congo, where up to 30 million people are currently facing life-threatening food shortages. All parishes in Ireland are asked to take up a collection on the 6th/7th November to help the people involved. Next weekend the 13/14th November we will take up the collection in our parish. **Donations can be placed in the basket as you enter church, handed in to the parish Office mark the envelope "Trocaire" or donate on the parish website**

"Large-scale assistance – including food, nutrition, and water – must be delivered to save lives. Trócaire is responding in East Africa targeting the most vulnerable, including children, the elderly, people with disabilities and those who have been displaced from their homes by climate change and conflict." The delayed and significantly below-average rainfall due to climate change has exacerbated the food insecurity situation in the region
