## **Catholic Schools Week 2022**

**23rd JANUARY - 30th JANUARY 2022**

Sunday, 23 January, marks the beginning of Catholic Schools Week 2022. During this week, we aim to celebrate the unique contribution that Catholic schools, both primary and post-primary, make to supporting each other and living out Jesus' message of the Gospel.

This year's theme is Catholic Schools: Living Life to the Full'. In light of the challenges and uncertainty we have collectively faced over the past year, this year we are presented with the opportunity to reflect on how our faith sustains us and how we as a community support and care for each other.

**Monday Living Life to the Full with God.** Every one of us is different. We are all unique and special. We are all born with different talents and strengths. What kind of talents can we have? Talents include sports, art, music, maths, writing and many other things. In our Catholic school, each of us is different and unique and we are called to live life to the full. This means that we learn together but also that we learn to be kind to each other, as everyone deserves to be cared for.

**Tuesday: – Living Life to the Full Together** We all belong to a family and we all like to have friends. In our Catholic school, we are called to help and be kind to each other, as each person should feel welcome, included and cared for. Today we celebrate the fact of God's love for each of us and how God made each of us all special and unique

**Wednesday: Grandparents Day:** Pre Covid one of the most popular celebrations of Catholic Schools Week was Grandparents Day. On that day we would have a wonderful liturgy in our schools and the excitement on the faces of the children when the grandparents arrived, was a joy to behold. This year we are inviting the children and the grandparents to join us for our streamed Mass from Rathmore Church on Wednesday night at 7p.m. It is appropriate that we offer a prayer for all grandparents, cherishing their contribution to the lives of their grandchildren

**Thursday – Living Life in Wonder and Awe:** Can you think of a time that you saw something amazing? Living life in wonder and awe means seeing the world as really special and as something that takes our breath away. In our Catholic school, we can start to see the world as a wonderful place. Can we think of things in life that makes us really happy or make us go 'Wow'?

**Friday – Living Life and Facing the Future** Our Catholic school is a place where we come together to learn many different things each day. We also learn how to care for ourselves, for others and the environment. We learn to follow the Golden Rule of Jesus. *'Do for other people the same things you want them to do for you.'*

**NOVENA TIME IN KNOCKNAGREE:** Our Lady of Lourdes Novena commences in Knocknagree on Thursday February 3<sup>rd</sup> & concludes on Friday 11<sup>th</sup> Feb on The Feast Day Of Our Lady Of Lourdes
