**Cllr Maura Healy-Rae**

"At the recent meeting of Killarney Municipal District, I asked Kerry County Council to take in charge the Old Graveyard, Rathmore including all pathways. Kerry County Council responded by outlining that the Old Burial Ground in Rathmore is owned, managed and maintained by St. Brendan's Trust. KCC also stated that they have no plans to take over responsibility for any additional burial grounds other than those which they currently own and maintain. I asked Kerry County Council to reconsider their position on this, given that the old and new burial grounds are adjoining each other. I also highlighted that it would not require a lot of resources on the council's part to maintain both. "
