

## OUR PARISH MISSION STATEMENT

In our Parish people are nourished by the Word of God. It is a Parish where love is tangible and practical. It is a place where people pray together. Our Parish community is centred on Jesus Christ, on knowing and loving Him. It is incarnated in the love we show one another.

### An Easter Prayer

Christ, the wisdom of God  
In our moments of anxiety and  
insecurity,

You are the voice of faith, who  
proclaims,

"Peace, be still."

In a culture of mistrust, fill us  
with hope.

Despite the pain of loss and  
failure,

Let hope enable us to see God  
in all situations and events.

You are a God of all  
possibilities,

A God of new beginnings.

You are the voice of reason,  
Who summons us back to  
sanity.

God, enable us by your  
wisdom to keep things in  
perspective.

Through your counsel and  
encouragement,

You have enabled us to  
overcome  
many setbacks and adversities  
of life.

We continue now, to trust in  
your goodness.

For you are a God who hears,  
answers, and acts on our  
behalf,

Out of the abundance of your  
eternal love.

We trust you in your grace  
and mercy to sustain us.

**Amen.**

### TIME GETS BETTER WITH AGE

**Age 1** : I've learned that just when I get my room the way I like it, Mom makes me clean it up again.

**Age 12:** I've learned that although it's hard to admit it, I'm secretly I glad my parents are strict with me.

**Age 15** I've learned that wherever I go, the world's worst drivers have followed me there.

**Age 29** I've learned that there are people who love you dearly but just don't know how to show it.

**Age 42** : I've learned that children and grandparents are natural allies.

**Age 47** I've learned that regardless of your relationship with your parents, you miss them terribly after they die.

**Age 53** I've learned that if you want to do something positive for your children, work to improve your marriage.

**Age 61** I've learned that life sometimes gives you a second chance.

**Age 62** I've learned that whenever I decide something with kindness; I usually make the right decision.

**Age 66** I've learned that everyone can use a prayer.

**Age 72** I've learned that even when I have pains, I don't have to be one

**Age 82** I've learned that every day you should reach out and touch somebody. People love that human touch holding hand, a warm hug, or just a friendly pat on the back.

**Age 90** I've learned that I still have a lot to learn.
