

OUR PARISH MISSION STATEMENT

In our Parish people are nourished by the Word of God. It is a Parish where love is tangible and practical. It is a place where people pray together. Our Parish community is centred on Jesus Christ, on knowing and loving Him. It is incarnated in the love we show one another.

For a Synodal Church: communion, participation, and mission

In October 2021 the Catholic Church's synodal process on the theme of synodality began. This was the first time that a worldwide listening process and consultation with parishes and dioceses was attempted and many people in Ireland took part in a listening process during the early months of 2022. ***Did you take part? Have you been wondering what happened after that?***

Much has happened since then. Your participation formed part of our national document that was sent to the Synod office in Rome in August 2022. It also formed part of a global document called *Enlarge the Space of Your Tent*, which was published last October, and then formed part of a presentation given by the Irish delegation that travelled to Prague this February for the first ever Continental Assembly of the Catholic Church's synodal process. Please visit www.synod.ie/2023update to find out more.
