

OUR PARISH MISSION STATEMENT

In our Parish people are nourished by the Word of God. It is a Parish where love is tangible and practical. It is a place where people pray together. Our Parish community is centred on Jesus Christ, on knowing and loving Him. It is incarnated in the love we show one another.

IF I HAD MY LIFE TO LIVE OVER - by Erma Combeck

(written after she found out she was dying of cancer).

I would have gone to bed when I was sick instead of pretending the earth
would go into a holding pattern if I weren't there for the day.

I would have talked less and listened more.

I would have invited friends over to dinner even if the carpet was
stained, or the sofa faded.

I would have taken the time to listen to my grandfather
ramble about his youth.

I would have shared more of the responsibility carried by my husband.

I would never have insisted the car windows be rolled up on a summer day
because my hair had just been teased and sprayed.

I would have sat on the lawn with my grass stains.

I would have cried and laughed less time watching television and more
time watching life.

I would never have bought anything just because it was practical; wouldn't
Shown soil; or was guaranteed to last a lifetime.

Instead of wishing away nine months of pregnancy, I'd have cherished every
moment and realised that the wonderment growing inside me was the only
chance in life to assist God in a miracle.

When my kids kissed me impetuously, I would never have said, "Late"! Now
go get washed up for dinner. " There would have been more "I love you's. "
More "I'm sorry's. "

But mostly, given another shot at life, I would seize every minute ... look
at it and really see it .. live it . and never give it back. Stop sweating
the small stuff.

Don't worry about who doesn't like you, who has more, or who's doing what.
Instead, let's cherish the relationships we have with those who do love
us.

Lets think about what God has blessed us with, and we are doing each day to promote ourselves mentally,
physically, emotionally.

I HOPE YOU ALL HAVE A BLESSED DAY.
