

OUR PARISH MISSION STATEMENT

In our Parish people are nourished by the Word of God. It is a Parish where love is tangible and practical. It is a place where people pray together. Our Parish community is centred on Jesus Christ, on knowing and loving Him. It is incarnated in the love we show one another.

SILENCE WITHIN MASS

RECOLLECTING: At the beginning of the Penitential Act the Priest invites each of us to recall our sins and reflect on our need for repentance. Such recollection needs to be done individually, and we do so, briefly in silence.

During the Mass, each time we hear the words "Let us pray", there is a pause for a brief silence. In this time each of us individually and silently "collects" our whole self before God, recalling our own prayer and readying ourselves to bring this prayer to God. The priest then gathers or "collects" our prayers into one.

Season of Creation 2023 1st September to 4th October

"Let Justice and Peace Flow".

*"All powerful God, bring healing to our lives,
that we may protect the world and not prey on it,
that we may sow beauty, not pollution and destruction."* (Pope Francis)

The Season of Creation is marked throughout the Christian world from 1st September to 4th October (Feast of Saint Francis of Assisi). The season celebrates the joy of creation, and encourages awareness-raising initiatives to protect the natural environment.

The Prophet Amos declares: "Let justice roll on like a river, righteousness like a never-failing stream!" (Amos 5: 24), this is the inspiration for our 2023 theme, "Let Justice and Peace Flow".

We are called to join "the river of justice and peace", to take up climate and ecological justice, and to speak out with and for communities most impacted by climate injustice and the loss of biodiversity. In many parts of the world, it is the poorest of peoples who suffer most because of disastrous effects of climate change. Many migrants coming to Europe do so because climate change has destroyed their livelihoods at home, some through successive seasons with no rain, some through excessive rainfall and floods that has washed away their homes and possessions. Climate change, biodiversity and poverty challenge every part of Ireland too.
