Walk in's Welcome

Updates from Cllr Jackie Healy-Rae

Following another accident at Lisheen Cross, Gneeveguilla I have again asked Kerry County Council to source funding to carry out the much needed safety scheme at this location before there is a fatality. I have raised this issue on numerous occasions already and have submitted motions on it again for the upcoming full Council and Municipal District Meetings. €30,000 is required to carry out the work and this money has to come from the Department of Transport, working in conjunction with Danny and Michael Healy-Rae I will ensure the matter is highlighted in the Dáil until we get the funding required.

I have asked Kerry County Council to carry out drainage works on the L7027 Banard road back past the Church in order to try to keep the water off the road. I would hope that this work would be carried out in the next number of weeks.

Bridges- I was glad recently to have got repairs carried out on the bridge in New Quarter as it had fallen into disrepair.

Two more have been brought to my attention, one just below Renasup Cross on Tureencahill side and again just below Ballinahulla Cross. Kerry County Council has applied for funding to carry

out work on these bridges but in the intervening time they have assured me safety provisions will be put in place while they await funding to build them up again.

As always feel free to keep in contact with me in relation to any issues you have on 087-9464425.

The Miracle Prayer

Dear Heart of Jesus, in the past I have asked for many favours, this time I ask for this special one (mention favour). Take it dear Heart of Jesus and place it within your Heart, where your Father sees it, then in his merciful eyes it will become your favour not mine. Amen. N.M.

Say this prayer three times for three days and your favour will be granted. Never known to fail. Must promise publication of prayer.
