**Cllr Maura Healy-Rae** is glad following her representations and having allocated the necessary funding, that a new public light has been erected on Station Road, Rathmore.

**Update in response to my notice of motion regarding the poor lighting and substandard pedestrian crossing adjacent to the Church.**

**Cllr. M. Healy-Rae:** To ask Kerry County Council to improve the lighting at the pedestrian crossing adjacent to the church in Rathmore. This crossing is surrounded by community services, amenities and businesses and is currently substandard. Furthermore, KCC previously committed to upgrading this crossing and the others further on in Rathmore town; what is the current update on this?

**Reply:** An application will be made to the Defect Management Section of Transport Infrastructure Ireland to seek funding to upgrade the public lighting at this pedestrian crossing.

Proposals in relation to upgrading the pedestrian crossings in Rathmore town are progressing through the design phase to enable a technical approval and funding application to Transport Infrastructure Ireland. Subject to receiving that approval the necessary statutory process will commence.

**The Miracle Prayer**

**Dear Heart of Jesus, in the past I have asked for many favours, this time I ask for this special one (mention favour). Take it dear Heart of Jesus and place it within your Heart, where your Father sees it, then in his merciful eyes it will become your favour not mine. Amen.**

Say this prayer three time for three days and your favour will be granted. Never known to fail. Must promise publication of prayer SOS

**PPN for Community & Voluntary Groups.**

The PPN is the mechanism through which the Local Authority links/engages with the broader community sector and are the representative voice of the community and voluntary, social inclusion and environmental sectors. The main role of the PPN is to form a network bringing together all community and voluntary groups, social inclusion groups, and environmental interest groups. Information is shared and people can work together on policy matters. The PPN also facilitates groups to nominate representatives to local authority policy making boards and committees including the Local

Community Development Committee (LCDC) and Strategic Policy Committees (SPCs). The national guidelines define the types of groups that can register for the PPN structure as follows: (1) **Environmental** – Organisations whose primary activities are environmental protection and/or environmental sustainability.

(2) **Social Inclusion** – Organisations whose activities focus on social inclusion, social justice and/or equality. Examples include organisations which aim to support people with a disability, refugees and asylum seekers, older people, women, young people and those living in poverty. (3) **Community & Voluntary** –

Any organisation whose primary activities are other than those listed above belong in this category. When a group registers it becomes part of the County PPN Structure. Registration is easy. Please complete the Registration Form on the home page of website [www.kerryppn.ie](http://www.kerryppn.ie)

There is no charge. Registered groups receive regular updates, information on funding opportunities and also benefit from the group insurance scheme. Kerry Public Participation Network is also a Registered Charity. RCN 20204668 **For more information Phone: 066 7183672/ 087 488 8360 Email: [ppn@kerrycoco.ie](mailto:ppn@kerrycoco.ie)**
