- Cllr Maura Healy-Rae has requested KCC to consider putting a turning off lane at Shrone Cross on the N72. There has been significant road improvements jacent to the junction and with increased speed and traffic, road users are highlighting significant danger when trying to exit the main road as they feel very isolated and often find traffic from the Killarney direction trying to overtake them. KCC have assured Cllr Healy-Rae that the junction will be examined closely in conjunction with the TII Safety Division to establish to most appropriate intervention.

- Cllr Maura Healy-Rae has asked KCC and TII for an update on providing additional public lighting between Gortahaneboy East and Rathbeg along the N72 to enhance safety given serious accidents that have occurred there. KCC have committed to assessing this location with the TII Safety Division.

PETITION

The road between Lisheen Junction and the Quarry Cross poses a threat to life and limb. Councillors and Engineers have visited the site. Two Councillors have already promised a contribution from their personal allowance for 2027, if necessary. It is imperative that pressure is brought to bear on the Council.

Please sign the PETITION in the Club or in Pet(e)ros. Don't wait for a tragedy to occur.

The Miracle Prayer

Dear Heart of Jesus, in the past I have asked for many favours, this time I ask for this special one (mention favour).

Take it dear Heart of Jesus and place it within your Heart, where your Father sees it, then in his merciful eyes it will become your favour not mine. Amen.

Say this prayer three times for three days and your favour will be granted.

Never known to fail.

Must promise publication of prayer. (COK)
